PETITION TO INTERVENE

SC PUBLIC SERVICE
COMMISSION

I, Pamela Greenlaw, as a customer of South Carolina Electric and Gas Company (SCE&G), pursuant to R. 1030865 of the Commission's rules and regulations the South Carolina Public Service Commission, do hereby petition to intervene and be made a party of record in the above-referenced docket.

In my intervention I plan to testify and present evidence insofar as possible at the hearing of SCE&G's seeking of an order from the Commission to approve updated construction schedules and capital cost estimates. I cannot at this time properly estimate the amount of such testimony and presentation I might require, as the very evidence necessary to assess this case is protected in secret by SCE&G under privacy in the name of "trade secrets" and "competitiveness."

Being thus deprived of some necessary evidence, I nevertheless plan to present the fact that additional costs asserted by the contractors which were unanticipated by SCE&G and are consequently being challenged by the same indicates Imprudence by SCE&G.

In addition, I plan to demonstrate that these "challenged costs," should SCE&G ultimately be required to bear them in part or in toto after resolution is reached, should and must not be rolled into rate changes and thus become the burden of rate payers as these are not normal, reasonable costs and are not covered by the Base Load Review Act.

Please accept this Petition to Intervene, and allow me to be made an intervenor and a party of record with the ability to fully participate in this proceeding.

Sincerely,

Pamela Greenlaw

Customer of SCE&G
